Fluffy Fluffy Cattery  
[fluffyfluffycattery@gmail.com](mailto:fluffyfluffycattery@gmail.com)

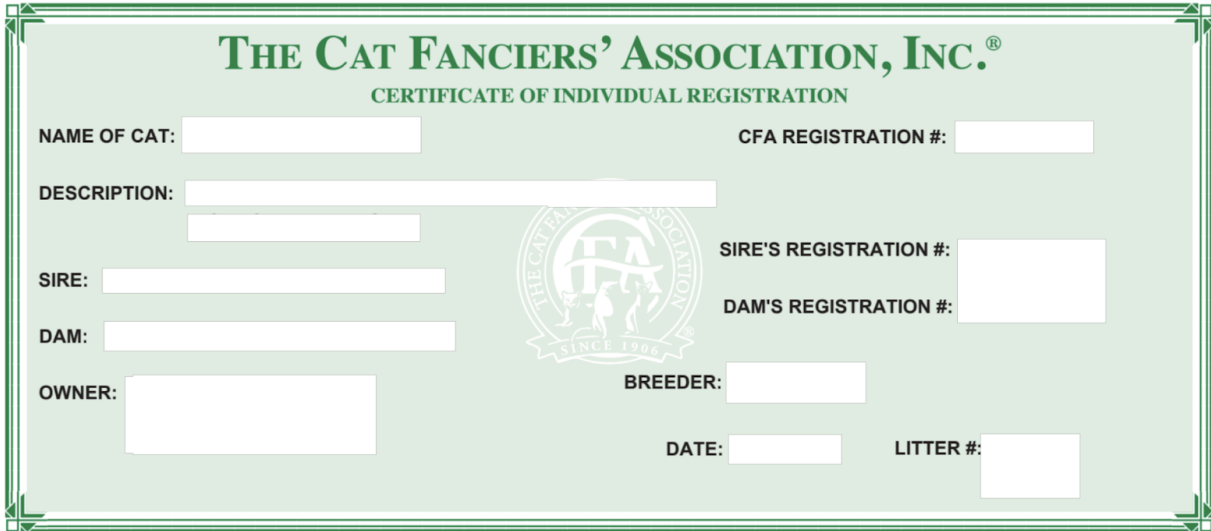

The reservation for my kittens is first come first serve. This means if there are multiple people interested in the same kitten, the person who pays the deposit first will be reserved for the kitten.

1. If you see kittens marked as **‘available’** on my website, this means you can do the following(Optional):
  - You may request a visit to my house to see the available kittens.
  - You may request a video call with me to see the available kittens.
  - You may request videos/photos of the available kittens from me.
2. **You must fill out the [application form](#).**
3. I will reply to your email telling you your eligibility for reserving the kitten/kittens you want to purchase.
  - I will send you a reservation deposit agreement, which requires your signature, via DocuSign.
  - I will give you the information for sending a deposit check to me.

**Important: The deposit is \$500 and non-refundable. The deposit will be counted as a part of the total cost. After you decide on the kitten you want to reserve and have paid the deposit, you can not change your decision.**

**Important: Please make sure to write down the time you mail the deposit check on a piece of paper and put the paper in the envelope when you mail the deposit check. Thus I can distinguish who paid the deposit first when multiple people are interested in the same kitten. [Instructions for writing the timestamp note](#)**

4. After I have successfully received your deposit, I will do the following:
- I will email you that you have successfully reserved the kitten/kittens.
  - I will change the kitten status to be 'reserved' on the website.
  - I will ask for your information for registering in the CFA system.
  - You will have the following green slip when you pick up the kitten:

The form is a green-bordered slip with a light green background. At the top, it reads "THE CAT FANCIERS' ASSOCIATION, INC.®" in bold green letters, followed by "CERTIFICATE OF INDIVIDUAL REGISTRATION" in smaller green letters. In the center is a circular seal with "THE CAT FANCIERS' ASSOCIATION" around the top and "SINCE 1906" at the bottom, with a cat's head in the center. The form contains several fields for registration information: "NAME OF CAT:" with a text box, "CFA REGISTRATION #:" with a text box, "DESCRIPTION:" with a text box, "SIRE:" with a text box, "DAM:" with a text box, "OWNER:" with a text box, "SIRE'S REGISTRATION #:" with a text box, "DAM'S REGISTRATION #:" with a text box, "BREEDER:" with a text box, "DATE:" with a text box, and "LITTER #:" with a text box.

## General FAQ

- Q. How much is one of your kittens?
  - A. The price for a kitten is \$2500 regarding gender and color.
- Q. Can I get more pictures/videos of kitten 1, kitten 2, and kitten 3?
  - A. Yes, you will need to email me for asking more pictures/videos.
- Q. Is the kitten still available?
  - A. I update the kitten status as soon as the kitten status has been changed. If you see the kitten is not “reserved”, it means you still have a chance to reserve that kitten.
- Q. What should I put in the deposit envelope before I mail the deposit check?
  - A. You need a check and a piece of paper with the following format:

I mailed this check at 1:30 PM on May 09, 2022. This deposit is for kitten xxxxx. My name is xxx xxx.

After you have mailed the deposit check, please email me to let me know you have mailed the deposit check.

- Q. If multiple people mailed deposit checks for the same kitten, what happened to these checks?
  - A. I will review the timestamp note in each envelope (please see the previous question), **and the person who mailed the check earliest will be able to reserve the kitten unless the check is unable to process.**

All the checks mailed after the earliest mailed check will **not be cashed**.

- Q. We are the first time getting a kitten, what things should we prepare for the kitten?
  - A. Please check out the “[Cat Owner Manual](#)” on the “[owning](#)” page on my website for answering most of the questions you might have as a new cat owner.
- Q. Is there any discount?
  - A. Previous customers will have a 10% discount.
